

**CANADIAN OLYMPIC COMMITTEE
HEALTH SERVICES TEAM (HST)
CALL FOR NOMINATIONS
2019 LIMA PAN AMERICAN GAMES**

Host City: Lima, Peru

Dates of Games: Jul 26 to Aug 11, 2019
The HST must be prepared to arrive up to 8 days earlier and leave 2 days after Closing Ceremony.

Sports: <https://www.lima2019.pe/en/deportes/panamericanos-deportes-acuaticos>

Deadline to send applications to CASEM - July 15, 2018.

Send your completed Games Application form to Dawn Haworth - dhaworth@casem-acmse.org

ADDITIONAL INFORMATION

Call for:

Chief Therapist:	CATA & SPC
Physicians:	CASEM
Therapists:	CATA, SPC & RCCSS *
Massage Therapists:	CSMTA

* Chiropractors may be selected as therapist(s) if they have the appropriate qualifications.

COC guidelines for selecting the HST:

- ✓ Number of practitioners selected from the Expert Groups will be determined after the NSF practitioners are selected. *Note: A major portion of the HST will be selected through an NSF application / nomination process independent from this procedure*
- ✓ While the COC will take into consideration the rankings of applicants by their Expert Groups, the COC reserves the right to make selections to the HST based on:
 1. The needs and requirement of the different sports, and the overall HST
 2. Appropriate balance of skill sets
 3. Gender equity
 4. Availability of health care services to the Canadian delegation in both official languages
 5. The limited number of accreditations available.

Note: in some cases, accreditations may be “shared” between individuals on the Mission Team

**CANADIAN OLYMPIC COMMITTEE
HEALTH SERVICES TEAM (HST)
CALL FOR NOMINATIONS
2019 LIMA PAN AMERICAN GAMES**

If selected, all practitioners are required to:

- Report to the Chief Medical Officer (CMO) and/or the Chief Therapist (CT) throughout the Games;
- Have appropriate liability insurance to practice in Peru;
- Physicians will be required to comply with all pre-Games requirements to obtain a license to practice in the host country for the Games;
- Provide their services to Canadian Team members only;
- Familiarize themselves with their assigned sport(s); and if requested by the CD/CT attend a training camp, competition and/or meet with the team(s);
- Attend the Team Operations and Preparation Seminar (TOPS) in April 2019 (Location and Dates TBD);
- Provide health care support to the entire Canadian Team; this will include working at the Canadian Health Centre(s), Performance Centre(s) and/or assignments to a variety of sports during the Games period;
- Stay until the end of the Games (if requested by the CMO/CT) to support the overall health care operation and participate in the pack-up of the Canadian Health Centre. However, they may also be asked to leave once their assigned sport has finished competing, in order to transfer their accreditation to another person. Note: some members of the HST may not be officially accredited for the Games; i.e. they will access the village with daily guest passes;
- Wear the official clothing provided by the Canadian Olympic Committee (COC) while on duty at the Health Centre and during official COC functions;
- Stay in the accommodation provided by the COC which could be outside the Village;
- Utilize travel services provided by the COC;
- Attend Canadian HST meetings at Games, as determined by the CMO and/or CT;
- Sign the COC "Mission Team" Agreement and consent to a security and/or criminal screening.
