

Best People. Best Practices. Best Programs.

2018 ANNUAL GENERAL MEETING

& First Aid/CPR Recertification Course

Saturday October 27, 2018

Fortius Sport & Health

Join us on Saturday October 27th from 9:00am-12:00pm at Fortius Sport & Health in Burnaby for SportMedBC's 2018 Annual General Meeting.

Network with your peers as we will look back at the past year and preview some of the exciting projects we're working on for 2018 - 2019. New to this year, we will also be offering a **First Aid/CPR Recertification Course starting at 12:00PM** immediately following the networking session and complimentary lunch.

Register for our 2018 AGM online at SportMedBC.com

Guest Speaker Presentations

Presentation #1: Functional Dry Needling

SportMedBC Director and Sport Physiotherapist **Marc Rizzardo** will deliver a short presentation on Functional Dry Needling. With many athletes turning towards Dry Needling as a way of treating pain and restoring function, Marc will discuss the results he has seen in patients and its growing adoption by athletes and professional sports teams.

Presentation #2: Training for Everest Base Camp

SportMedBC Vice Chair and Strength & Conditioning Specialist, **Anthony Findlay** talks about his experience at Everest Base Camp and the training and preparation that went into this once in a lifetime adventure.

First Aid/CPR Recertification Course (\$45-105)

Immediately following the AGM and speaker presentations we will be hosting a First Aid/CPR Recertification Course. If you are in need of updating your First Aid and CPR certifications this is a great opportunity to do so. All participants will start together at 12pm and can leave the class as soon as they complete the level of certification they require.

Costs will depend on the recertification level that your professional college/association requires. Visit our website for course registration information.

Please direct any questions or inquiries to marcom.manager@sportmedbc.com

As a member of SportMedBC's multidisciplinary network of 700 sports medicine professionals we hope you can join us! Register at www.SportMedBC.com

We gratefully acknowledge the financial support from ViaSport and the Province of British Columbia through the Ministry of Tourism, Arts & Culture.
