WHY SPONSOR THE 2021 CASEM-OMA SPORT MEDICINE CONFERENCE ?

In 2021, the Canadian Academy of Sport and Exercise Medicine (CASEM), along with the Ontario Medical Association Section on Sport Medicine will host its inaugural virtual scientific meeting. Joining us at this event will provide vital exposure to the burgeoning sport and exercise medicine market. We anticipate more than 500 virtual guests will participate – 90% of our target audience are physicians with the remaining delegates representing various allied sport medicine professions, including: sport physiotherapy, athletic therapy, chiropractic services and nursing. Our physician-base represents both primary care sport medicine and specialty medicine (orthopaedics, pediatrics, PMR and emergency).

CASEM and OMA SEM have developed a first-class scientific program designed to prepare and update physicians on a wide range of sport and exercise medicine issues. The conference provides not only a quality educational experience but also excellent e-networking opportunities to foster collegial relationships with those who work in dedicated sport medicine health care field. All Delegates are invited to attend the Virtual Trade Show as well as take part in novel virtual networking activities

The sessions will be recorded and available on the virtual platform for 30 days to ensure that all registered delegates have the opportunity to either experience the session live or at a later date.

EXHIBITORS

Why Exhibit?

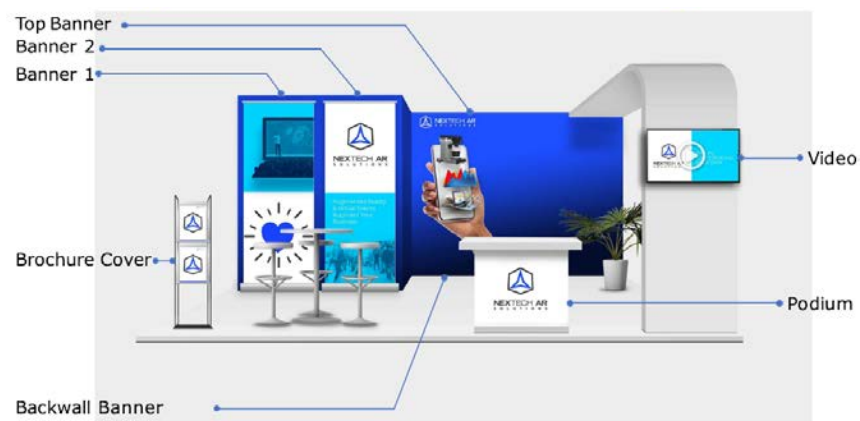

- **Virtual means a larger audience, more leads and easy networking opportunities - one of the main benefits of going virtual is reach. More people can attend. Which means more virtual traffic for your booth.**
- **Virtual means 24/7 - where in person is a moment in time, a virtual encounter can be longer! In addition, the platform is open for 30 days for both exhibitors and delegates.**
- **Virtual is less expensive!**
- **Virtual booth provides both live and chat functions making it easy for attendees to ask questions. There is something less scary about virtual than in-person which results in solid leads and meaningful encounters.**

EXHIBITING AT THE CASEM ANNUAL SCIENTIFIC MEETING PROVIDES YOU WITH EXPOSURE TO THE EVER-GROWING SPORT AND EXERCISE MEDICINE MARKET.
