Invitation to attend the 8th Annual Orthopedic, Sports Medicine & Trauma Symposium at the Boulevard Club in Toronto on Saturday February 25th, 2023

Dear colleague:

Are you coming this year?

Highlights of the symposium include presentations on: current concepts in Orthobiologic Therapy / PRP & Hyaluronic Gel injections in 2023, injuries in dance/performance arts (Dr. Sari Kraft – Sports Medicine), injuries in Women’s Hockey (Dr. Laura Cruz – Sports Medicine), a discussion of in-office arthroscopy as a potential alternative to knee MRI, a talk on accelerated ACL rehab: the role of Blood Flow Restriction (BFR) in restoring muscle strength, a mock LAT (License Appeal Tribunal) trial debating the pros/cons of SPECT scan in motor vehicle accident cases – a Defense/Plaintive side perspective, discussions regarding the evidence for formal in-clinic physiotherapy for the management of acute back pain, a talk on Shoulder Instability by Dr. Stephanie Hsu (Orthopedic Surgery – Atlanta, USA), and a talk on the resurgence of ACL Repair & new meniscus/cartilage repair in 2023.

Formal invite below.

I am organizing the 8th Annual Orthopedic, Sports Medicine & Trauma Symposium on Saturday February 25th, 2023, at the Boulevard Club in Toronto. <http://www.boulevardclub.com> . I would like to invite you to attend this special event.

Here are the details of the symposium:

The audience is mixed and will consist of orthopedic surgeons, other specialty surgeons, sports medicine doctors, family doctors, other specialty doctors, radiologists, physiotherapists, chiropractors, osteopaths, athletic trainers/therapists, business people, politicians, lawyers, coaches, kinesiologists, nurses, clinic owners, medical, graduate and university students.

35 speakers. About 150 attendees registered. Duration: 2:00 pm – Midnight

Current Concepts Review / Interactive Discussions/ Video & Case presentations / Hands-on Demos / Questions to the Sports Medicine expert panel

Dress Code: Formal / Black Tie optional

Symposium Registration Fee: 150 \$ / person (includes food + drinks + networking reception/gala)

Register by emailing research@nguyensportsmed.com and indicate whether you will be bringing a guest (this is optional - He/she will need to formally register and pay the 150\$ symposium fee).

Payment can be made via by cheque (made payable to Dr. Duong Nguyen Medicine Professional Corporation or alternatively to JEL'S – the Joy of Everyday Learning through Sports for Kids (a not for profit organization), by cash, by credit card - over the phone (416) 742-3736, or by Interac email e-transfer to research@nguyensportsmed.com

The weblink to the 8th Annual Symposium is: <https://nguyensportsmed.com/sports-medicine-symposium> where you can download a pdf of the preliminary program.

Sincerely,

Dr. Duong Nguyen MPC
