

Unaccredited Lunchtime Symposia

These luncheons are not accredited and may be sponsored by commercial interests. Registration will open closer to the conference. Check back later for more.

Wednesday

Satellite Lunch Symposium “Ted Talk”

Strategy Room 3
5th floor

Wednesday, May 29
12:00pm - 1:30pm

[REGISTER HERE](#)

Join us for a “quasi-Ted Talk” with a distinguished panel chaired by Dr. Mohit Bhandari along with Dr. Stephen French, who will be challenging the current status of hyaluronic acid (HA) injections in patients, Dr. Eugene Maida who will present an update on the benefits of HA on MSK patients, and featuring Dr. Femi Ayeni – president-elect of the COA – who will present results of the ECHO Study on ICS/HA injections into the hip – the first Cingal study of its kind worldwide. Sponsored by Pendopharm.
